## WINE HOST BIO

**Gary Mortensen, President-Stoller Wine Group**

At Stoller, their roots run deep. The family established the property in 1943 and the vineyard 50 years later. Over the last 30 years, the team has patiently transformed the 400-acre property into the largest contiguous vineyard in Oregon's Dundee Hills.

Much has changed from the original Stoller family farm, but two things remain constant: a pioneering spirit and commitment to their farm. The team continuously seeks new ways to refine and protect its legacy so that it can thrive for generations to come. Stoller's winery was the first in the world to receive LEED Gold certification, attesting that their winery is sustainably built and environmentally friendly. Stoller takes pride in their B Corp, LIVE, and Salmon-Safe certifications, knowing they back their values with actions when it comes to their commitment to their land, wines, and community.

Leading the charge for the past 11 years is President Gary Mortensen. His career spans more than 22 years of senior leadership in the Oregon wine industry, coupled with a decade as a start-up veteran. As a devoted historian, he is committed to preserving and sharing our nation's diversity and heritage. Gary's passion for innovation and pushing boundaries has earned Stoller a reputation for excellence that consistently earns the family-owned winery a place on the USA Today 10 Best Tasting Rooms Reader's Choice poll and 2023 Best Winery by Willamette Week's Best of Portland. In 2022, Gary was named one of the Portland Business Journal's Executives of the Year, and one of Wine Business Month's Top Leaders.
